Tallangatta Health Service District Nurses

Our District Nursing team is comprised of highly qualified nurses devoted to the care of people in the Tallangatta community and surrounding areas. Home visits are vital for many community members to maintain their independence, while having their overall health supervised by trained and caring staff.

This service is available through Tallangatta Health Service. Community members that would like to use the service are required to be assessed.

Referrals can be made by:

- Your doctor
- Hospital
- Family or
- yourself

Enquiries can be made by phoning the HACC office on 02 6071 5238

District Nursing Provides the following Services

- Wound care
- General nursing care
- Hygiene assessments and assistance
- Post acute care following your discharge from hospital
- Department of Veteran's Affairs nursing care
- Palliative Care
- Monitoring of Wellbeing
- Support and advice to family members and carers
- Refer and liaise with other healthcare agencies
- Medical and nursing equipment hire
- Chronic illness management

Fees

Generally a small charge applies for services. These are levied in accordance with funding guidelines. However it is important to note that no clients are denied a service by their inability to pay.

Catchment Area
